

“If the mind is intensely eager, everything can be accomplished – mountains can be crumbled into atoms,” said Swami Vivekananda.

Academics -

Delhi Public School thrives on the motto ‘Service Before Self’, which propels all of us towards a meaningful future. Being a ‘public’ school in the real sense of the term we focus on the holistic development of every student enrolled with us. However, we aspire to see our students making a mark for themselves in different walks of life wherein academics come first, we ensure that Academic training assumes the maximum importance.

Examinations and Competitions -

Our students participate in the Olympiads organised by SOF. Many of our students have excelled in these Olympiads and have secured gold, silver and bronze medals at the school level. Apart from this we as a school believe in inclusive education and ensure that each child gets due attention.

Our students have excelled in the Board Examinations. One of our students has secured the second highest at the district level in the AISSE.

We have had two students qualifying for the IITJEE Mains.

Cocurricular -

A number of activities and functions were organized throughout the year to ensure better personality development among students as we believe that each child is unique and possesses inherent potential. The confidence gained by the

children is displayed when they walk on to the stage confidently to participate in various competitions like debate, recitation, story telling, vocal music, dancing and the fine arts. Besides, our students have participated in various Inter School competitions too and have made their mark.

Educational excursion to Manali and Adventure Camp in school were organised wherein students explored the nature and learnt to dare.

Club Activities, an important part of the DPS system of schooling, provides opportunities through clubs for Yoga, Scrabble & Word Building, Music, Dance, Science, Social Science and Dramatics regularly, wherein the students are sensitised to discover their innate talents and interests and further build up on them.

Enabling students to shoulder responsibilities from an early age goes a long way in building up their personalities thus helping them to grow into responsible adults. The Investiture Ceremony was held wherein some of our deserving students were reposed with the responsibility of leading their peers as the Head Boy, Head Girl, the House Captains and Vice Captains and the Prefects.

The Newsletter, an integral aspect of the DPS culture is circulated between students and the parents as an album of the activities, competitions and all other events happening in the school. It also serves the purpose of showcasing the budding efforts of our students at penning down their thoughts.

Functions & Celebrations -

At DPS, Mgarh, we believe in moulding the youngsters in such a manner that they learn to celebrate life. Care is taken to aware them about various festivals and

celebrate them with their peers. All festivals were celebrated during the session, with equal zeal and fervour.

To enrich the experiences of our students, on one hand we had activities like Collage Making, Mask Making , Mothers Day, Grandparents Day to name a few for the Tiny Tots while on the other hand we conducted Inter House activities like the Mathematics, Science and the Social Science Quiz, the Inter House Debate Competition, Chess competition and so on for the Middle and the Senior School.

Sports and Games -

For it is on the Sports field that one learns to imbibe traits like - perseverance, teamwork, responsibility and respect for authority, to name a few. Keeping this in mind we encourage our students to participate in the various sporting activities conducted in the school.

The Annual Sports Meet was held in our school on 24th and 25 January 2020 where in the students dared to challenge each other on the tracks and tried with all their might to emerge as the winner. Our boys as well as the girls put up a great performance.

Our cricket and football teams have participated in Inter school Competitions and have made their presence felt.

Faculty Development -

We firmly believe in empowering our teachers as they are the mentors and facilitators for our students. Our teachers attended various workshops conducted

by the DPS Society and the CBSE for constant upgradation and to be in the know of the latest innovative methods of teaching.

Parent teacher Interactions -

It is our firm belief that a constant interaction and communication between the teacher and the parents, has a positive effect in the efficacy of the teaching learning process. Parent Teacher Interactions were organised at regular intervals so as to facilitate worthwhile interactions between the parents and the teachers. This goes a long way in improving upon the progress of the children. Positive suggestions for the overall improvement of the school too was solicited during these interactions.

Our aim is to be one of the leading schools in the community it serves, to be known and widely acknowledged as a secular institution which develops character and ethical leadership in its students in their pursuit of excellence.

This is my earnest request to all the teachers of the school, parents and the students to continue supporting and working the way we have been doing till now. Let's make our motto - Yes, we can...! And that excellence should be our goal in every field.
